# HGV Levy Payment Guide

## HGV Levy Pay Points

**IMPORTANT:** You **MUST** have a valid HGV levy for your vehicle **before** it uses UK roads.

The levy can be paid online, at a number of official Point of Sale (PoS) locations, at driver self-serve facilities offered by some operators and through a number of booking agents.

This document will be updated regularly with details of new levy Pay Points as official PoS contracts are finalised and / or operators and booking agents confirm details of their services. We are happy to include details of any other operators and booking agents choosing to offer support for paying the levy that contact us.

## HGV Levy Pay Points

### Online

You can buy your levy online at:

[www.gov.uk/hgv-levy](http://www.gov.uk/hgv-levy)

When you pay online, you will receive a confirmation email or text message with a unique payment reference number.

### Point of Sale (PoS) Agents

Point of Sale Agents are contracted to sell the levy,

they will accept card and **cash** payments and will issue the driver with a receipt.

Receipts must be checked within 15 minutes of purchase

as mistakes can **NOT** be rectified after this time.

Look out for our signs.

### Using the Tables: Worked Example

Vehicle used: 2 axle tractive unit, 3 axle semi-trailer with a maximum vehicle combination weight of 40,000kg

HGV levy band (from table 1): G

HGV Levy Costs (from table 2): daily levy £10, weekly levy £50, monthly levy £100, annual levy, £1,000

You need an HGV Levy for each day you are in the UK. A day runs from 00:00:00 to 23:59:59. When you enter the start and end date for your trip to the UK into the HGV levy payment system, you will be offered the combination of daily, weekly and month levy payments which provides the best value. For example, if the vehicle enters the UK on 1 May and leaves on 6 May, you will be offered a weekly levy (cost £50), rather than six days (cost £60).
